PINTAS

COMPANY PROFILE

ABOUT PINTAS IP

PINTAS is a multidisciplinary intellectual property boutique firm that specializes in providing customized solutions related to patents, trademarks, industrial design, copyrights, trade secrets, and other forms of intellectual property assets.

We possess the vision and capabilities necessary to assist our clients in achieving business success through intellectual property rights. The core of this vision is fully embodied in our company motto: "Today's Asset, Tomorrow's Value."

From the conceptualization phase to market launch, and at every stage in between, we safeguard, enforce, capitalize on, and explore avenues to expand your intellectual property assets. We transform your ideas into valuable business assets.

UNIQUE SELLING PROPOSITION

The key to our success is twofold

Firstly, we boast a team of highly experienced and qualified intellectual property professionals who deliver quality and innovative solutions to our clients' intellectual property needs.

Secondly, we prioritize highly responsive and personalized customer service while upholding unwavering integrity.

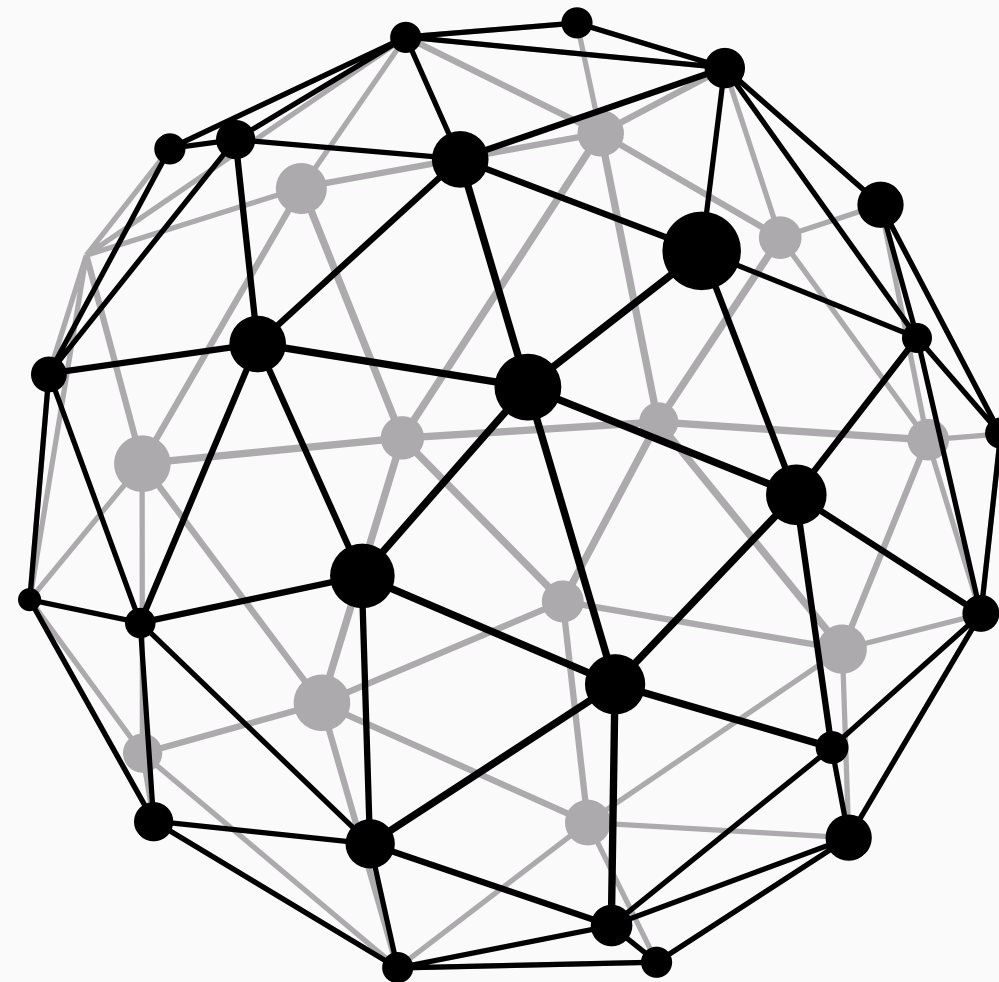

OUR CLIENT BASE

We serve companies and organizations in nearly every industry, from traditional manufacturers to high-tech multinationals and everything in between, including manufacturers, educational and research institutions, retailers and franchisors.

By developing and maintaining close relationships with our clients we could grow synergistically to attain our business success.

OUR PARTNERS

OUR PEOPLE

Our team of professionals comprises highly experienced and qualified intellectual property experts. They hold graduate or post-graduate degrees in a wide range of fields including sciences, engineering, law, and finance, covering comprehensive spectrums of intellectual property lines.

We possess a profound understanding of the specific needs of technology-related companies and their investors. This detailed knowledge and experience provide us with valuable insights and enable our attorneys to deliver the highest caliber of service, effectively addressing our clients' intellectual property challenges and leveraging their intellectual property rights.
