ABOUT US

PINTAS is a multi-disciplinary Intellectual Property (IP) boutique firm based in Singapore and Malaysia, with representative offices in the USA and China.

Since 1998, we have been actively advising and assisting IP owners in protecting, managing, and extracting value from their IP assets.

We have the vision and capabilities to help our clients achieve business success through intellectual property rights. The essence of this vision is fully manifested in the company motto:

'Today's Asset, Tomorrow's Value.'

AWARDS

The World's Top 1000 Patent Firm
Year 2013 - 2025

The World's Top 300 IP Strategist
Year 2022 - 2025

Patent Prosecution Ranking
Year 2019-2024

World Trademark Review Top 1000
Trademark Professionals 2024

OUR TRACK RECORD

We serve companies and organizations in nearly every industry from local and overseas, from traditional manufacturers to high-tech research institutions.

To-date, we have assisted our clients to file more than 25,000 intellectual property (trademarks, patents, designs & copyrights) applications in more than 150 countries worldwide and have assisted in the drafting of more than 1,000 patent specifications across a multitude of technology sectors and intellectually intensive industries.

BUSINESS MODEL

MARKETING

Jointly organize talks, exhibitions and other events to create greater awareness of IPR.

To groom and develop more sublicensees to promote our services.

PROFIT SHARING

10-30% of the professional fees billed and collected as the fees to our licensees.

Overriding commissions on the Sublicensees' Profit Sharing Scheme.

IP HALL: Web-Based One-Stop IP Solution Platform

To help our AP partners to better manage their clients' IP cases online, we have developed IP HALL, a web-based one stop IP solution platform.

Through IP HALL, our AP partners can conveniently create quotations, invoices online, as well as monitor the status of their clients' IP applications and their commissions online.

ABOUT OUR AP PROGRAM

OBJECTIVES

Quality value-added IP service with personal touch

Window of opportunity for qualified partners to participate in the rapid growing IP service industry

To expand the breadth & depth of PINTAS IP services through long term partnership with market players

CONFIDENTIALITY OF INFORMATION

Mutual commitments

Rights to use PINTAS brand and knowhow

Attractive profit sharing scheme

To effectively exploit the evergrowing IP market in Malaysia, we have devised and launched the Pintas AP Program. We look forward to working closely with dynamic, forward-looking service provider firms, like accountants, company secretaries, lawyers, advertising agencies to capitalize on the relatively untapped IP market in Malaysia.

OUR UNIQUE SELLING PROPOSITION

The key to our success is twofold.

First, we provide responsive, localised and highly professional IP services with a personal touch at an affordable price.

Second, we have in our team experienced IP professionals, IP lawyers and Patent engineers who are able to handle the intricacies and complexities of our clients' needs in the most competent and professional manners.

OUR TEAM AND INTERNATIONAL NETWORK

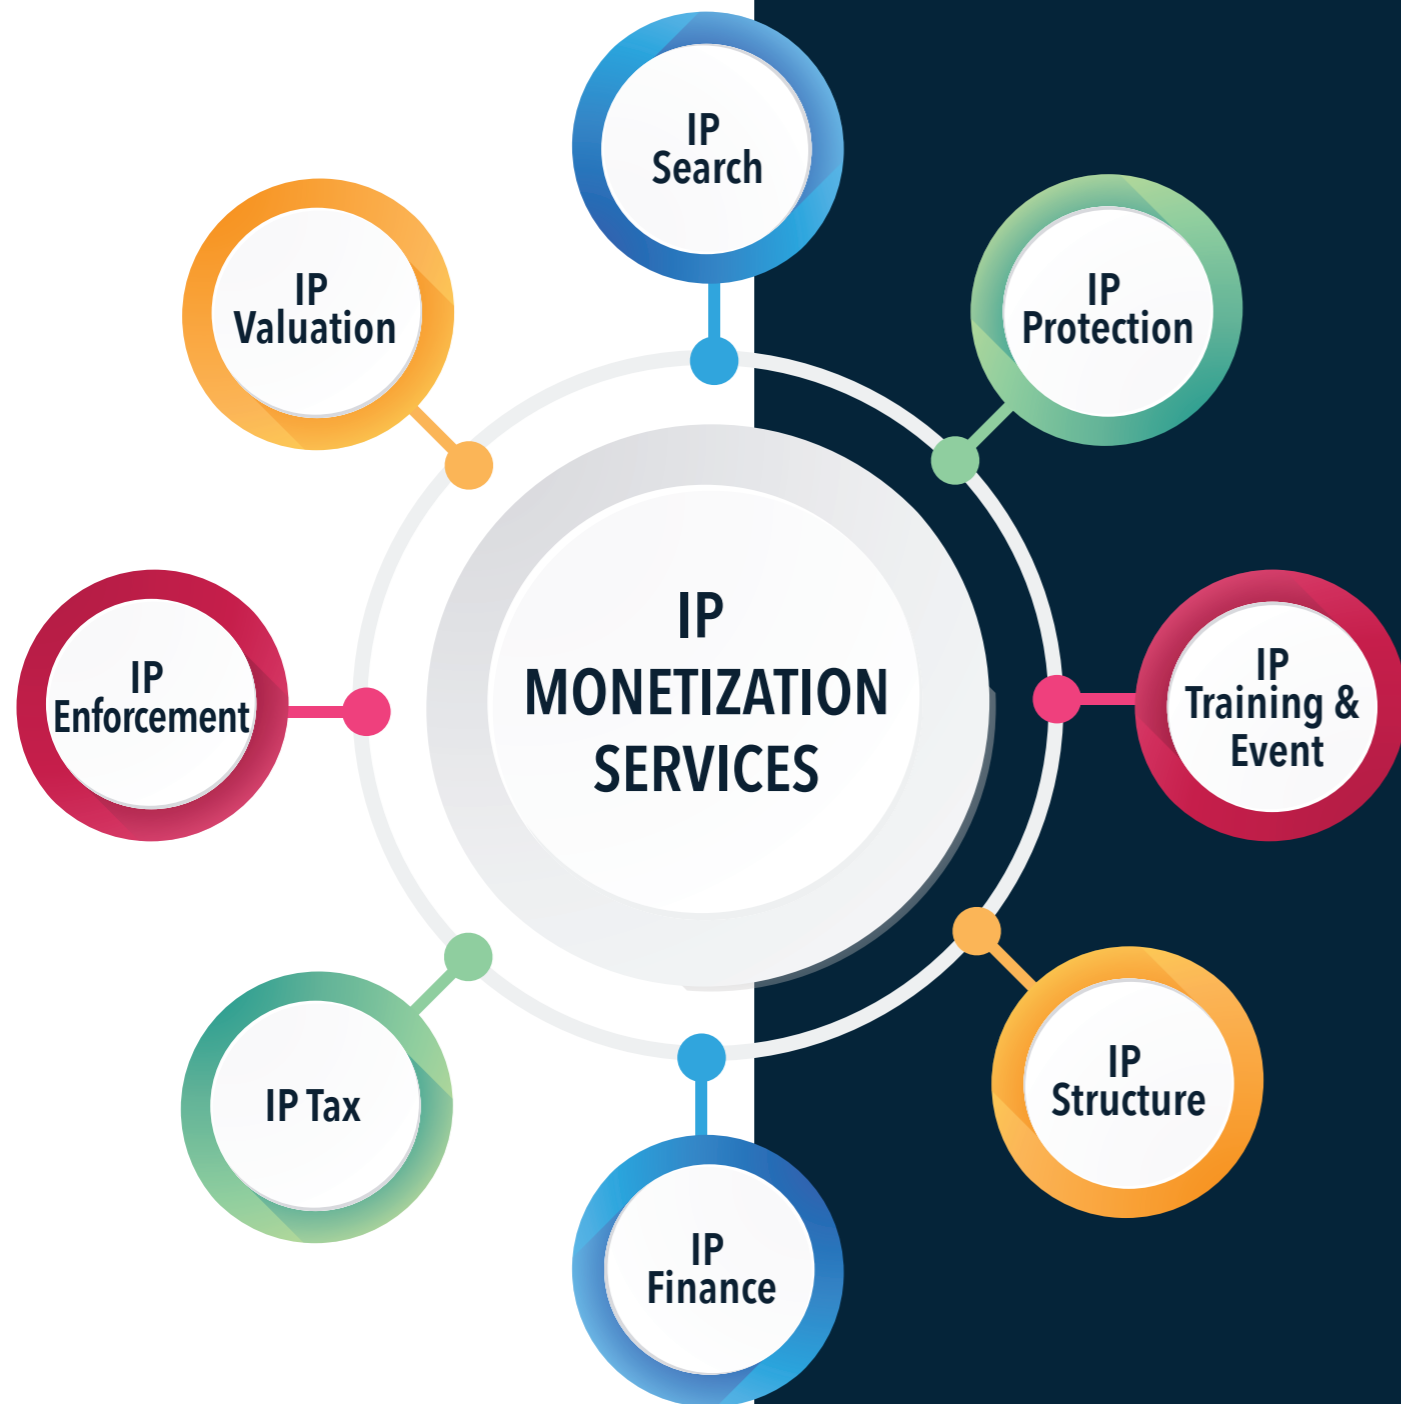

We have in our team attorneys / patent agents who specialise in the field of IP laws and qualified to practise in multiple jurisdictions to provide direct IP filing and management in all South East Asia (ASEAN) countries, the USA and China. Our patent engineer team comprises of molecular biologists, biochemists, chemists, physicists, and electrical and mechanical engineers, with the necessary technical background to understand the special needs of technology-related companies.

We have also fostered and developed a network of close IP associates in more than 100 countries worldwide, which are closely monitored and managed by our online supplier's relations management platform. The majority of the associates have more than five years of working relationship with PINTAS and are committed to offer reliable and cost effective international IP filing services to our clients.

IP MONETIZATION SERVICES

We offer full-fledged IP monetization services, assisting clients in the entire value chains of intellectual property rights creation, protection, commercialization and monetization.
